Dear Members,

The 2015 Annual General Meeting was held on Friday 20th February with an attendance of 66 paid up members.

The following seven 2015 Committee members were nominated and automatically elected there being the required number. The relative responsibilities are as follows :

Martin Mifsud (re-confirmed as President by an absolute majority of preference votes)

Michael Curmi - Vice President

Stephen Galea - Secretary

Mario Micallef - Treasurer

Josef Gatt - PRO

Chris Bonaci - Administrative Coordinator & Memberships

Edward Portelli - Flying site Manager

Ronald Carbonaro and Wayne Galea did not seek re-election and the Association would like to thank these gentlemen for their service in 2014. At the same time *"bon lavoro"* to the newly formed committee.

The Annual General meeting had a full agenda which was completed despite the late hour. A record number of motions were carried in the interests of transparency and good governance. The updated statute is already available on the Association's website. The Committee did not even have time to catch its breath as the new regulations on RPAS were announced the very next morning, and took immediate action in this regard. Members have already been fully advised on the Committee's immediate response and position on this critical development. Members shall continue to be updated.
