Weather Shelter Inauguration Day:

The weather shelter was Officially Inaugurated on the 28th May 2016, as announced in our March 2016 Newsletter by the SportMalta Chairman, the Hon Dr. Luciano Busuttil BA., LL.D., MP. This event was organized to inaugurate the weather shelter together with other recent improvements to our Flying Site, which included amongst others the erection of four new concrete tables, installation of light tubes and charging facilities. This was an all day event during which all members were invited and urged to participate and bring up their models for static display and organized flying activities. We are pleased to inform you that this was a very successful event with about 95% participation of active flyers.

Sport Malta has been the key player behind the Weather Shelter financing and sourcing. A big thanks also goes to members who also donated for this embellishment. Such a thing could never materialize without your help, for which we thank them heartily.

Current Affairs

Boys Night... And what a night :) Delicious food and good wine greeted diners to a very enjoyable evening. The fun fare next door added value to the younger generation who enjoyed a swing and a spin after a stupendous dinner. A big thanks to the organizers and members who supported this yearly event.

OUR NEXT SOCIAL EVENT

A mid summer BBQ is scheduled at our dear flying site at Ta Qali on the 23rd of July. No need to register, but members who confirm their attendance will be eligible to a glass or two of free wine. Refer to mmafataqali.com for further details. It's a bring and roast BBQ this time, so prepare your 'cookers' for this important social event. No need to get your lighting equipment this time. Thanks to your hard working friends, there's enough lights on site :) A word of warning though:

NO BBQ FIRES UNDER THE WEATHER SHELTER !

Take note of this important date: 23.07.2016

STOP PRESS ANNOUNCEMENT

It has been reported that the gate was found open this afternoon 22/06/2016 at 1620hrs. No one was in sight so it's obvious that the last person or persons leaving the site failed to close the gate. The Committee looks at such grievance as very serious and may consider disciplinary action in the interest of the Association.

Safety and Behaviour

Our first priority is safety for all Club members, visitors and other third parties. This is closely followed by considerate behavior towards all fellow members

Respect the guidelines and wishes of the Committee as we work hard towards your safety and enjoyment of the hobby.

Please use the First Aid Box diligently.

Should bandages etc become in short supply please inform the Committee accordingly.
